

NAC SETAC 27TH ANNUAL MEETING & SHORT COURSE

CALL FOR ABSTRACTS

The North Atlantic Chapter of SETAC Annual Meeting and Short Course will be held virtually April 5, 6, and 7, 2021, and is now accepting abstracts for poster and platform presentations, as well as nominations for session chairs. Deadline February 26, 2021.

The Annual Meeting will feature a short course on microplastics, platform presentations and a poster social. Session topics will include, but are not limited to:

- Sediments
- Risk Assessment
- Emerging Contaminants
- Ecological Impacts
- Toxicology
- Human Health

If you have research or a project that you would like to present, but it doesn't fit neatly into one of the above session topics, you should still submit an abstract for consideration.

Platform presentations will be 15 minutes in length with time for questions. At the poster social, poster presenters will have 5 minutes to present their poster and to take questions.

Student presenters will be eligible for our Student Travel Awards and Best Presentation Awards!
